Unit 117

Description: Located in Atlantic City, NJ along Route 30 this location is the last unit before drivers have to decide which Casino will be their destination. At this critical juncture motorists must decide between traveling northeast to the Borgata or Harrah's, traveling east toward the Showboat and Taj Mahal or traveling Southeast on Martin Luther King Blvd. toward the Tropicana. With no other billboard faces for over 3,500 feet to the west this unit offers excellent visibility.
